DER SEMINAR DESCRIPTION-1998

STANDARDIZATION SEMINAR - This is the initial seminar offered to all DERs, Candidates, and anyone interested in DER functions. It covers ***Background, History, and Organization of the FAA, FAA Regulations and Compliance Guidance, DER Authority and Responsibilities, Certification of Aircraft and Aircraft Products, and Continued Airworthiness***. This seminar lasts 1 ½ to 2 days. Attendance at this seminar is required within one year of appointment for all new DERs as of November 12, 1996.

Ft Worth, Mar 17-18

Atlanta, Jun 30 - Jul 1

Long Beach, Jul 14-15

Seattle, Sep 15-16

RECURRENT SEMINAR - The DER Recurrent Seminar varies from 1 ½ to 3 days in length. The first portion is a presentation of general topics developed by the Recurrent Seminar training team or by certification personnel of the hosting ACO. The remainder of the seminar is used for workshops or breakout sessions discussing technical topics developed by the ACO and directed at the individual DER specialties (i.e. structure, systems and equipment, etc.).
